

The CARE Act

A Self-Determined
Path to Recovery

**Treatment, housing, and
community support.**

The CARE Act connects eligible adults living with serious mental illness to essential services.

SUPPORT
NEAR YOU.**

WHAT?

The Community, Assistance, Recovery, and Empowerment (CARE) Act is a civil court process providing community-based mental health services to eligible Californians.

HOW?

A wide range of people including family, friends, and professionals can request an individual to enter the CARE process.
